## of Rocky River Presbyterian Church

Sun., Jan. 6, 10:30 a.m.

### Worship the King, as the Wise Men did

This year the Christian holy day of Epiphany happens to fall on a Sunday (January 6<sup>th</sup>). Tradition marks this date to commemorate the visit to the Holy Family by the Magi, the Wise Men from distant lands. Because they were not Jewish their acknowledgement of Jesus as King signaled that God's incarnational love—divine love in human form—was offered not only to those with Jewish heritage but to all of the world's people.

—Worship Committee

Sun., Jan. 6, 11:35 a.m.

### Many hands welcomed to help “De-deck the Halls”

Our observance of Epiphany concludes our celebration of the Advent/Christmas season... and thus, our church's holiday decorations need to go away for another year.

Because “many hands make light work,” we hope you'll stay after worship for 10, 20, or 30 minutes to help take down the wreaths and other decorations throughout the church and transport them to Fellowship Hall. There they will be placed in the storage loft until next December.

—Board of Deacons

### Session January meeting date changed

To accommodate the pastor's travel schedule, the Session has changed its January meeting date. The new date and time will be Sunday, January 13 at 11:45 a.m.

—elder Dan McKenzie, Clerk of Session

**Did you know:** our church's “birthday” is January 8. We were founded on January 8, 1956, which means that 2019 will be our church's 64<sup>th</sup> year of ministry and mission!

Sun., Jan. 27, 11:35 a.m.

### 63<sup>rd</sup> Annual Meeting scheduled

In keeping with the by-laws of the congregation, the Session has called for the 63<sup>rd</sup> Annual Meeting of the Congregation and Corporation to be held on the fourth Sunday of January—January 27—following morning worship. The meeting will take place in Fellowship Hall. Our Board of Deacons will arrange for a light luncheon to be available prior to the meeting.

The purposes of the meeting include:

- the election of officers for Rocky River Presbyterian Church—a non-profit corporation in the State of Ohio;
- the reception and review of reports of the activities of the church's organizations and staff;
- the approval of the pastor's compensation for the coming year.

All communicant members of the congregation are eligible to speak and vote at the Annual Meeting.

—Elder Dan McKenzie, Clerk of Session

FRIDAY, Feb. 1, 2019 7:30 p.m.

### Artist Concert Series welcomes BlueWater Chamber Orchestra

Founded in 2010, BlueWater Chamber Orchestra is a refreshingly unique professional ensemble of local, world-class musicians dedicated to sharing great music with new audiences in metropolitan Cleveland. Critics have acknowledged BlueWater as “essential contributors to Cleveland's classical music scene” and acclaim “the brilliance and professionalism that has become a trademark of BlueWater performances.”

The concert is free and open to all ages. An offering will be received to support the Series.

—Nancy McGillicuddy, ACS Artistic Director

Thursdays Jan 3 & 10 6:30 p.m.

### Someone is waiting for you to invite them to join RRPC

YOU have power: power to encourage a recent worship visitor to consider joining you as a member of RRPC. So speak up—urge them to attend the pair of Seekers' Classes that our pastor will offer on Thursdays, January 3 and 10 from 6:30-8:00 p.m.

Remember when someone encouraged you to join? Why not pass that gift along!

—elder Jim Pierce, Chair,  
Evangelism & Membership

## ***From Your Pastor***

### **The Annual Meeting: one event, many functions**

The prospect of attending a “meeting” can be exciting. As a college student I was appointed as a “student representative” to The College of Wooster’s Alumni Board. Representatives of the college’s graduates of the previous 5-50 years would meet twice-yearly to support and advance the College’s mission. They thought it would be helpful to have a few current students in their midst.

It was an honor to be asked, and I found it interesting to see how “real people” (not college students) went about their business. Those were the first “meetings” I remember attending. Of course, they were not my last.

In America today, meetings tend not to be held in high regard. That disdain comes from too many people having to participate in too many meetings—especially meetings that proved to be unproductive.

That’s key: gatherings which consume people’s precious time ought to accomplish something that’s valuable to the participants or the organizations they represent. I agree with others who assert that if there’s no useful purpose for a scheduled meeting, then that meeting should not take place.

There is a useful purpose for the upcoming 63<sup>rd</sup> Annual Meeting of the Congregation and Corporation of Rocky River Presbyterian Church. Actually, there are many useful purposes, and one or more of those purposes should appeal to just about everyone who cares about RRPC.

Foremost, the “Annual Meeting” is a requirement of the Presbyterian Church (U.S.A.)’s constitution under which we exist. At the meeting we review our congregation’s witness to the community

and world of God’s love in Jesus Christ. In other words, how are we doing in serving the world in Jesus’ name? We engage in that evaluation by receiving reports from the church’s various groups and staff.

One particular item of business that’s required at an Annual Meeting is for the congregation to review the compensation it grants to its pastor. Another particular function is for the “Corporation” of our church to hold its annual meeting as required by Ohio law for the election of our “corporate officers.” We’re able to accomplish both purposes at the same meeting.

In my experience the tradition of an Annual Meeting is more than receiving reports and voting on officers and approving the minister’s salary. I’ve thought of some other ways our Annual Meeting serves our life as a congregation:

#### **It’s a “family reunion”**

God has fashioned us as “sisters” and “brothers” of one another through Jesus Christ: “For whoever does the will of my Father in heaven is my brother and sister....” (Mt. 12:50) At the Annual Meeting our “family” is brought together—from various communities, various ages, various family configurations, as one big “RRPC Family.”

#### **It’s a “block party”**

At the Annual Meeting you’re able to catch up with “church neighbors” you might not have crossed paths with for awhile. You can ask about their health, their work, their kids, their travels.

#### **It’s a “church picnic”**

Our deacons offer a light luncheon to sustain us after a morning in church, and we get to chat across the table as we eat.

#### **It’s a “State of the Union”**

You get to hear about our church’s ideas for the future—what we plan to

continue, what we plan to change, what new ventures we are exploring.

#### **It’s a “Prime Minister’s Questions”**

I know—you may not be familiar with this phenomenon. But in England it’s been a tradition since the 1880s for the Prime Minister to appear in the House of Commons on Wednesdays from noon until 12:30 p.m. During this time he or she takes questions from Members of Parliament. They can ask the Prime Minister just about anything. (If you’ve never seen this before, the televised event is re-broadcast in our country on C-SPAN. Once you’ve seen it you may wonder, “Jon wants our Annual Meeting to sound like that?!” Well, no, I trust that our gathering will not become as raucous as the behavior of the MPs...!) But the point is this: like “Prime Minister’s Questions,” our Annual Meeting is a time for the free and open sharing of ideas, opinions, suggestions. This is not “Jon’s church” or “the Session’s church” or “the staff’s church.” It’s your church, and you have both the right and the responsibility to take an active role in shaping and supporting and advancing our Christ-inspired witness to the world.

For the 63<sup>rd</sup> time, on Sunday, January 27, 2019 our congregation is invited to congregate for an Annual Meeting that is also

a reunion...  
a party...  
a picnic...  
a forecast...  
a time of sharing.

I hope you’ll share in it this year.

See you on Sunday!

### Your January Per Capita gift

## The power of the "First Envelope"

If you've opened your offering envelope packet for 2019, you've seen that the "First Envelope" is for a special offering called "Per Capita." Every Presbyterian church member across the country is urged to make a special gift through their church to defray the "per capita" expenses of being Presbyterian: what it costs "per capita" (literally, "per head") to support the Presbyterian Church (USA) at the levels of the local presbytery, regional synod, and national General Assembly.

This year, churches in the Presbytery of the Western Reserve are being asked to pay **\$32.41 per member**. For RRPC, that totals \$11,214. Without each member's special gift of \$32.41, that's \$11,214 that we won't be able to apply to our Christian education or Music programs, our Mission support or for building and ground maintenance.

The Session urges you to find that First Envelope and make a special gift in January of \$32.41 per church member in your household... and if you can, perhaps you could add something to your gift on behalf of some of our members who simply cannot make a Per Capita gift this year.

## Offer a helping hand at Coffee Hour

The Deacons' Coffee Hour Committee is currently seeking volunteers to help out the 3<sup>rd</sup> Sunday of the month. We are also in need of substitutes who would be able to fill in occasionally. Contact Deb Furry [debffurry@northerntitle.com](mailto:debffurry@northerntitle.com) or 440-336-5114 for further information and/or questions.

## Souper Bowl of Caring Sunday, February 3

Our youth will hold soup pots at church doors on Souper Bowl Sunday, February 3. They will join young people in churches across the country to collect money for those who are hungry and hurting. All of the money collected will be donated to the local missions. None of the money is sent to Souper Bowl headquarters. Organizers only ask that each participant report their collection so national totals can be determined and announced. Since the Souper Bowl of Caring began in 1990, more than \$180 million has gone to help people in need.

Please support the youth of our church in this effort to “love our neighbors” by dropping your dollar in the soup pot on February 3. Proceeds will go to the Rocky River Assistance Program.

## It's Almost “Spaghetti Time!”

*Proceeds help support Presbyterian Youth Triennium participants*

Let the kids do your cooking on Sunday, Jan. 27 when our youth fellowship groups present their Spaghetti Dinner Benefit. The meal will be served in Fellowship Hall from 5:00-6:00 p.m. All proceeds will benefit our high school youth participating in the Presbyterian Youth Triennium at Purdue University July 16-20. Tickets will be sold after worship beginning January 6, or you can purchase your tickets that night.

## Registration now open for 2019 Presbyterian Youth Triennium

Coming next July 16-20, 2019 PYT will be a gathering for high school age youth that occurs every three years and is held on the campus of Purdue University. “Triennium” is five days of conversation, recreation, worship and fun with thousands of other youth from around the country. It truly is a life-changing experience and is open to all youth who have completed 9<sup>th</sup>-12 grades. Cost for the event is \$555, but our youth groups will be hosting several fund-raisers to help defray that cost. For more information, see Lisa Watts or contact our presbytery registrar, Bette Case at [bbtcase@aol.com](mailto:bbtcase@aol.com) or 440-390-2502.

Want more information? Check out the PYT website at [www.presbyterianyouthtriennium.org](http://www.presbyterianyouthtriennium.org) and be sure to “like” the Facebook page, “PresWesRes Presbyterian Youth Triennium Delegation.”

Each January we update the member listings (names, addresses, phones and emails) and then print new pages that will be available at the annual meeting in late-January (or from the office if you can't attend the meeting). With that in mind, if any of your information has changed (or that of a family member), please get that update info to Crystal in the church office before year's end. Simply call her at 440-333-4888, or email her the info at [info@riverpres.org](mailto:info@riverpres.org).

### **"Is RRPC closed? Activities cancelled?"**

Our church is on the **iAlert** system. In the unlikely event that we have to close for evening events or Sunday services (because of weather, utility disruption, etc.) you can find that message on Channel 3 WKYC, or listen to WCLV-FM 104.9, WMJI-FM 105.7, WTAM-AM 1100, or check the Channel 3 WKYC website. (Our weekday preschool has its own separate listing on **iAlert**, so pay attention to whether the notification is for the church or the preschool.)

# Healthy Happenings

## ... Notes from the Parish Nurse

Dear Friends and Family,

Happy New Year! I would like to start off this New Year sharing information about distracted driving and give you some tips to avoid accidents. Distracted driving comes in 3 different forms:

1. Cognitive or mental distraction is when a driver's mind isn't focused on driving. Talking to another passenger or being preoccupied with personal, family, or work-related issues are some examples. Even drivers listening to their favorite podcast or radio station are at risk; the audio can take drivers' focus away from their driving and overall surroundings.
2. Visual distraction occurs when a driver looks at anything other than the road ahead. Drivers who check the kids' seat belts while driving are visually distracted. Electronic devices for the car, such as GPS devices and portable DVDs/digital entertainment systems, also distract drivers.
3. Manual distraction is when the driver takes one or both hands off the wheel for any reason. Some common examples include eating and drinking in the car, adjusting the GPS, or trying to get something from a purse, wallet, or briefcase.

***\*\*Texting while driving is particularly dangerous because it involves all 3 forms. \*\****

Here are some things you can do to avoid driving distractions and keep yourself focused on the road.

- ⇒ Turn off your cell phone, even if you're expecting an important business call.
- ⇒ If you always need to be reachable, get a hands-free device to use only in case of emergency. Why only in emergencies? Because studies have shown that hands-free devices prove just as distracting as normal cell phone use while driving.
- ⇒ When driving with children or pets, make sure the kids are strapped into their seats and pets are in carriers. If they need your attention during the drive, pull over before handling the situation.
- ⇒ Eat before or after you drive. Just don't eat while driving.
- ⇒ Program your GPS before you leave the driveway.
- ⇒ Driving and multitasking do not mix! We know it's tempting to answer that email or reprogram that GPS which just rebooted itself for the third time. But if you're able to resist the temptation and focus on the road ahead, you'll be able to react to the unexpected and maybe even avoid an accident.

***\*\*NEVER Drink and Drive. \*\****
