Do not forget to do good and to share with others,
for with such sacrifices God is pleased. – Hebrews 13:16

Frequently Asked Questions

1. **What is the "Alternative Christmas" Charity Bazaar (aka ACCB)?** As an "alternative" to mindless gift-giving, the ACCB is an opportunity to make donations to local, national, and international charities in the name of family or friends. Give your donation as a Christmas gift by completing a personalized gift card that includes information about your donation made to this important charity in their honor. You then give these gift cards as **gifts** to your friends, co-workers, and family.
2. **Why do we have this bazaar?** We want to allow you to stop giving the same old Christmas gifts. Let's take the money we usually spend on obligatory gifts to friends or family (with little meaning) and give gifts to our favorite charities. Don't we all have enough stuff? This year, buy all of your gifts online at ACCB and encourage your family, friends, and colleagues to do the same.
3. **What is new?** ACCB is in person at Rocky River Presbyterian Church on November 22nd and **online again this year** in 3 easy steps.
   - Review the catalog and pick the charities you want to donate to.
   - Print out the order form: include your name and phone number, the charity's Ministry Code and the Item Code, the number of items you want, and tally the total for your purchase.
   - Make a copy of your order form and your check for your files. Then mail your form and completed check to Rocky River Presbyterian Church or drop it off at the office by **Dec. 30th**.
4. **When can I "shop"?** In a word, now! Donation order forms and checks are due in the church office by Christmas Eve. That way, we can forward the total donations to the charities by the end of the year.
5. **How many missions/charities are available?** Our church has selected 12 local, national, and international non-profit missions, & one fair-trade business for 2026.
6. **Does Rocky River Presbyterian Church keep part of the money from your donation? No, not one penny.** RRPC will tally all donation order forms then the church issues **one** check to each charity for the total amount donated. The church (and not you) is added to the mission's mailing list, saving you from more junk mail.
7. **Will my donation be tax-deductible? Yes**. Print a copy of your Donation Order Form and check as your receipt. Save it for your tax preparer.

The online catalog can be found here: **https://riverpres.org/fellowship-outreach/mission-outreach-volunteering/alternative-christmas-bazaar/**

Welcome to the 18th Annual Alternative Christmas Charity Bazaar (ACCB) at **Rocky River Presbyterian Church**

The ACCB has become a tradition at RRPC to start your holiday shopping. Find that right gift or stocking stuffer from one of our charities to match the interests and passions of everyone on your holiday shopping list.

The ACCB was founded on the premise that sometimes the most thoughtful gift you can give someone is donating to a charity in their honor.

No More Ugly Sweaters

This year, we have **12 charities and one fair-trade business** to participate in our ACCB. Most of these organizations have a direct connection to a member or friend of this congregation.

Your support of this event and the gifts you buy from these various charities directly impact people, families, communities, and our world. 100% of your money goes to these deserving charities and your gifts are completely tax-deductible. What could be better?

ACCB is a mission of this church and is guided by the Session's Mission Committee. The event is coordinated by a dedicated team of people: Chuck Erml, Sara Gresh, Barb Johnson, Bonnie & Chuck Erickson, Brenda Peterson, Sue Krizman, Phil Schickel, Lisa Poole, & the youth fellowship groups.

Big THANKS to Joy Jung for her beautiful artwork used on this year's cover and gift cards. A big THANKS to Anna Hartzell in the church office for putting the catalog and the gift cards together. Also, a BIG thank you to Ann Gilbert and Renee Matthews for their beautiful gift of music this morning.

May you, your friends, and your family have a wonderful Christmas.
--In Christ, Anne Busher, the Mission Committee, and the ACCB Team

The Dougbe River Presbyterian School

Imagine that there was no school for you… no school within 50 miles. That was the reality for a boy born in Liberia. He scrapped, worked, and even risked his life, having to leave home to gain an education. Eventually, he arrived in Cleveland, where he finished his education, found work, married, and settled down. Then he told his Presbyterian pastor, 'We need to build a school in Liberia!'

That's how it started. The Dougbe ("Doo-BAY") River Presbyterian School is now a reality. Built on 150 acres of land given to the school by the local leaders and financed entirely by donations—including a donation from RRPC—the Dougbe River Presbyterian School opened its doors to 130 students last year!

Their vision is *"to reach out to rural people with education and Christianity. We believe that Liberian young people empowered by education can develop their nation and profoundly reduce poverty. We reach out to Christian and non-Christian people. Our school is open to all children regardless of religion, age, race, gender, or ethnic group. We also stand for peace, unity, reconciliation, honesty and development."*

Sleep in Heavenly Peace

All children deserve a safe, comfortable place to lay their heads

Across the US, too many boys and girls go without a bed—or even a pillow—to sleep on. These children end up sleeping on couches, blankets, and even floors, which affects their happiness and health.

Child bed-lessness is a national problem, and as a national nonprofit with chapters spread across the country, SHP has provided the solution. They are a volunteer organization that builds beds for kids sleeping on the floor, and there are multiple ways to get involved with the OH-Cuyahoga W chapter.

Sleep in Heavenly Peace® is a group of volunteers dedicated to building, assembling, and delivering top-notch bunk beds to children and families in need. The organization has grown steadily over time, and it's working on opening more chapters in different states to serve more people.

So many great charities provide clothing, meals, and toys to needy families. But as wonderful as this aid is, few organizations offer suitable beds and bedding to the kids in these families.

At SHP, we fully believe that a bed is a basic need for proper physical, emotional, and mental support for a child. When it was brought to our attention that the need for beds went far beyond our neighborhoods, we stepped up and took the initiative. We're a national organization answering the call to a national problem. If a child needs a bed, we want to ensure they get one. No kid sleeps on the floor in our town®.

PDA is the emergency and refugee program of the Presbyterian Church (U.S.A.) and focuses on the long-term recovery of disaster-impacted communities.

One Million Wells

Water changes everything

One Million Wells addresses the global water crisis not by simply drilling wells for communities, but by training local people to build, own, and maintain their own wells. One Million Wells focuses on education and empowerment. They teach local teams, NGOs, and community leaders how to use low-cost, patented drilling technology. Through this model, the organization and its trained networks **have drilled over 1,000 wells across multiple countries, reaching more than 300,000 lives**.

Once a community can drink, kids can go to school. Once they go to school, they need someone to show up. Uganda has 2.5 million orphans. The second part of One Million Wells is Kids Without a Crew, a center in Uganda that provides housing, food, school, medical care, and community for kids who have none.

Food insecurity isn't hunger for a day. It's the cognitive shape of an entire generation. A child who doesn't eat consistently doesn't learn consistently. A community that depends on aid stays dependent. The third part is that we don't do aid. We do gardens.

Animal Shelter of Cuyahoga County

The Cuyahoga County Animal Shelter is a government-regulated agency. Our mission is "to maintain the health of dogs in our care, both mentally and physically, and increase the adoptability of the stray dogs of Cuyahoga County."

Our Main Floor has 72 kennels filled with wonderful strays, all from within Cuyahoga County, and they're waiting to be adopted into forever homes! At any given point, when you stop in, you will find a myriad of breeds, both mixes and purebreds, ranging from two months old to our famous seniors.

We might never know where these pooches were before coming to us, but giving them a future, permanent home takes a community effort. Your donation today will help to provide much-needed veterinary care for those dogs and puppies that arrive at our shelter sick or injured so that they, too, may have a second chance at a happy life. Your donation will provide a new "leash on life" for countless dogs with heartworms, broken bones, and traumatic wounds. Music Camp Guatemala

Impacting Eternity through Music

SUMMER MUSIC CAMP is a one-week camp and SOFAMA (School of Fine Arts & Musical Arts) is an after-school program both for kids ages 10-19 who are from high-risk situations and orphanages. These two programs provide intensive training in music and discipleship.

Kids not only learn to read music and play wind instruments but are also trained to follow Jesus. A dynamic teaching style that includes team building and games, emphasizes the lesson of the day. Group music making develops social skills and promotes unity.

The SOFAMA program offers small group and individual attention from a caring, dedicated music teacher who provides a supportive relationship and consistent foundation for them as they navigate the trauma of disintegrated families and mitigate the temptation to find "family" in the gangs.

The Summer Music Camp mixes the groups and includes kids from other music programs, and churches widen their horizons and deepen their experience in prayer and worship. All of camp is done with priority and emphasis of doing ALL for God's glory.
